PRESIDENTS REPORT THE CROWE CHRONICLE

Welcome to another month in the racing year. Good luck to everyone who has already resumed racing or just about to start racing after the Christmas break, both locally and away. Congratulations to Paul Height and his merry team on another successful Twin Peaks Hillclimb. This event celebrated its 10th anniversary in 2025. Well done to everyone involved, whether you were a competitor, spectator or volunteer. Special thanks to the volunteers who make the event run as smoothly as it does, not just during the event but with all the effort before and after the event. Just a reminder to keep your eyes on the newsletter and the Facebook page to stay up to date with event information, and for information regarding working bees throughout the year. Many hands make light work so please help when you can.
Stay safe and have fun.

Tristan
